

20TH DUNDEE SCOUT GROUP

Holidays!

This is the last week before we come off for the school holidays. I hope you've all had a good time this session, and we look forward to seeing your faces alongwith some new ones when we start back in September.

Information Distribution

We will be organising some events over the Summer, but do not want to waste a load of time posting out a load of letters every week. There will be opportunities to work towards the Environment Partnership Award as well as other badgework opportunities throughout July and August, as well as some entirely fun outings, such as a picnic.

To find out when these will be, please check out the website – www.20thdundeescouts.org. I will try to make sure that all events are up at least a fortnight before they happen. For those of you who we have email addresses for, I will email out to you also. If you want to add your email address to the list, please email me – fisher@20thdundeescouts.org and let me know.

Badgework

Remember that a lot of the badgework in Scouting can be done either at home, at school, or at other clubs and societies. All of the requirements can be found online, or you can give me a call, text or email and I'll get a list of these to you. Especially for those working towards their Chief Scout's Awards, it's important to show that you've done something off your own back.

Enjoy your holidays!

Yours in Scouting,

Gregor Murray (Fisher)

Leaders' Contact Details

Beaver Scout Leader: Fiona MacKenzie, 07989607171, fiona@20thdundeescouts.org
